

Pak Datacom Ltd. wins MAP Corporate Excellence Award 2011

Islamabad: April 20, 2012 - Pak Datacom Ltd. (PDL) Pakistan's leading ICT solution provider honored by Management Association of Pakistan (MAP) for Corporate Excellence in the telecom sector for the year 2011.

The emblem of admiration was awarded at a ceremony held in Karachi on April 10, 2012 by Finance Minister, Dr. Abdul Hafeez Sheikh. PDL outclassed its competitors in the telecom sector for high level management practices and techniques.

Salman Malik, Managing Director & CEO PDL said, "I am grateful to MAP for recognizing the hard work and passion of our management and employees in setting itself apart amongst ICT companies in Pakistan to win this prestigious award. This award is also a challenge for all of us at PDL to remain committed towards our strive for outstanding performance and good corporate governance," he added.

About PDL: PDL is a leading provider of ICT solutions and services in Pakistan with multinational presence. PDL takes pride to be the pioneer and one of the largest data network operators in Pakistan with presence all across the country. PDL specializes in providing end-to-end high quality data communication solutions; through application of satellite, terrestrial and submarine technologies. We have strong references in number of multinational and national organizations spanning financial, telecom, aviation, energy and other sectors. The Company is listed on all stock exchanges of Pakistan (Ticker: PAKD), more information is available at <http://www.pakdatacom.com.pk>

About MAP: Founded in 1964, the Management Association of Pakistan (MAP) is committed to excellence in management. Its aim is to establish Corporate Excellence and in pursuit of this objective MAP instituted it's Corporate Excellence Awards in 1982. The award recognizes the best managed companies in Pakistan that follow guidelines and principles of latest management and techniques.
